Do that by creating a sales web page for the new guide, however don't include a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with different prices on every page. Ensure that your gross sales copy is exactly the identical on each

page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, when you've written a ebook that solves a problem or presents a brand new approach, your ebook will usher in each traffic and profits.
