An effective approach for determining a worth is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion by way of price. Do

that by creating a gross sales web page for the new book, but don't embody a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.

In the end, if you've written a guide that solves a problem or presents a brand new technique, your e-book will bring in each visitors and profits.
