An effective approach for figuring out a value is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the brand new e book, but don't embody a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is exactly the similar on every page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum price is.

Finally, for those who've written a ebook that solves a problem or presents a new technique, your guide will bring in each visitors and profits.
