Marketing Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that becomes your promoting handle. This sentence states what query or problem your ebook answers and the

benefits your e-book can provide. Then you should definitely use that sentence in each piece of sales and promotional material, and every time anybody asks you about your ebook.

Moreover promoting your books assiduously online, there are several different strategies that can make it easier to promote extra books.

An efficient approach for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the brand new ebook, but do not embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the identical on each web page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum worth is.

Ultimately, should you've written a e-book that solves a downside or presents a brand new approach, your e book will bring in both traffic and profits. So make sure you write that selling-handle sentence that sums up what problem your e-book solves and what the benefits of your 1600 ebook will probably be to the customers who purchase it.
