Do this by making a sales web page for the brand new book, however don't embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the identical on

each page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.
