An effective approach for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new e book, however don't embrace a value on that page. Make sure that your sales copy is strictly the same on each page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.
