If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the brand new e-book, but do not embody a price on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different costs on each page. Make sure that your gross sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum worth is.

In the end, in case you've written a e book that solves a problem or presents a brand new approach, your book will bring in each site visitors and profits.
