Advertising Strategies

The key that unlocks the sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what question or downside your e book answers and the advantages your ebook can provide. Then make sure you use that sentence in every piece of gross

sales and promotional material, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously on-line, there are several other strategies that may make it easier to sell extra books.

An efficient approach for figuring out a price is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the new e book, however don't include a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is strictly the identical on each web page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum worth is.

In the end, when you've written a ebook that solves a problem or presents a brand new approach, your guide will herald both site visitors and profits.
