Do this by making a sales web page for the brand new e book, but don't embody a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Be sure your sales copy is strictly the same on every web page, and

consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum worth is.

In the end, if you happen to've written a guide that solves a problem or presents a brand new approach, your guide will usher in both visitors and profits.
