An efficient approach for figuring out a price is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to

price. Do this by creating a gross sales web page for the brand new e book, but don't embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is exactly the identical on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, should you've written a ebook that solves a drawback or presents a new approach, your guide will bring in each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your ebook solves and what the advantages of your 946 e-book can be to the shoppers who purchase it.
